Q.No.7	Read the paragraphs given below. Find out the topic sentence of any two and write it down. 1. Many desert animals are nocturnal. They sleep during the day in burrows below the surface of the desert or hide in shaded areas. They come out at night to eat. Some desert animals do not need to drink water. They get water from the foods they eat. Most desert animals are small. 2. The first rubber-soled shoes were developed and manufactured in the United States in the late 1800s. The shoe went through several variations until 1917 when the first canvas-top rubber-sole shoe was sold to the public. Henry Nelson McKinney, an advertising agent, named the new shoes "sneaker" because they were quiet as you walked. 3. Women education should develop powers of independent thinking. Independent thinking can lead to success in science, medicine, teaching, law, and business. The education we are providing to our women is not practical enough to give her courage to make her own decisions; even the choice to study or not to study is mainly dependent on men. We should revise our education system so that women can have more chances of growth.	10			
Q.No.8	(A). Read the topics given below and write a dialogue. (Attempt any one situation) (a). Dialogue between two friends on the topic of noise pollution OR (b).
