**ASSIGNMENT No. 2**

**Total Marks: 100**

**Pass Marks: 50**

This assignment is a research-oriented activity. You are required to obtain information from a business/commercial organization and prepare a report of about 1000 words on the topic allotted to you to be submitted to your teacher for evaluation.

**Instructions:** To answer each question, please purchase the following guidelines:

- Review the literature to develop your understanding about the topic
- Find the practical examples from authentic sources
- Build up arguments to support your conclusion
- Use Internet and Library sources to enrich your answers
- To maintain your academic integrity and honesty please integrate source material. There are basically three ways to integrate source material. You may
  - Quote it
  - Paraphrase it

- Summarize it
- Late assignments will not be entertained.

You are required to select one of the following topics according to the last digit of your roll number. For example, if your roll number is P-3427180 then you will select topic # 0 (the last digit):

### **Topics**

0. Strategic Analysis
1. Strategy Formulation
2. Challenges of Strategic Management
3. Strategy Evaluation
4. Strategy Implementation
5. Importance of Organizational Structure in Implementing Strategies
6. Managing Strategic Change
7. Competitive Advantage
8. Digital Business Strategy
9. Strategic Information System

### **The report should follow the following format:**

- 1) Title page
- 2) Acknowledgements
- 3) An abstract (one page summary of the paper)
- 4) Table of contents
- 5) Introduction to the topic (brief history & significance of topic assigned)
- 6) Practical study of the organization (with respect to the topic)
- 7) Data collection methods
- 8) SWOT analysis (strengths, weaknesses, opportunities & threats) relevant to the topic assigned
- 9) Conclusion (one page brief covering important aspects of your report)
- 10) Recommendations (specific recommendations relevant to topic assigned)
- 11) References (as per APA format)
- 12) Annexes (if any)

### **GUIDELINES FOR ASSIGNMENT # 2:**

- 1.5 line spacing
- Use headers and subheads throughout all sections
- Organization of ideas
- Writing skills (spelling, grammar, punctuation)
- Professionalism (readability and general appearance)
- Do more than repeat the text
- Express a point of view and defend it.

### **WORKSHOPS**

The workshop presentations provide you opportunity to express your communication skills, knowledge & understanding of concepts learned during practical study assigned in assignment # 2.

You should use transparencies and any other material for effective presentation. The transparencies are not the presentation, but only a tool; the presentation is the combination of the transparencies and your speech. Workshop presentation transparencies should only be in typed format.

### **The transparencies should follow the following format:**

- 1) Title page
- 2) An abstract (one page summary of the paper)
- 3) Introduction to the topic (brief history & significance of topic assigned)
- 4) Practical study of the organization (with respect to the topic)
- 5) Data collection methods
- 6) SWOT analysis (strengths, weaknesses, opportunities & threats) relevant to the topic assigned
- 7) Conclusion (one page brief covering important aspects of your report)
- 8) Recommendations (specific recommendations relevant to topic assigned)

**GUIDELINES FOR WORKSHOP PRESENTATION:**

- Make eye contact and react to the audience. Don't read from the transparencies or from report, and don't look too much at the transparencies (occasional glances are acceptable to help in recalling the topic to cover).
- A 15-minute presentation can be practiced several times in advance, so do that until you are confident enough. Some people also use a mirror when rehearsing as a substitute for an audience.

**WEIGHTAGE OF THEORY & PRACTICAL ASPECTS IN ASSIGNMENT # 2 & WORKSHOP PRESENTATIONS**

Assignment # 2 & workshop presentations are evaluated on the basis of theory & its applicability. The weightage of each aspect would be:

Theory:	60%
Applicability (practical study of the organization):	40%
